My dear Mr. Collier:

I wish to thank you for your letter of March 9 and am sorry that I am not in a position to give you more information in regard to my family.

It seems that Dr. Eggleston of whom you write has more information concerning the Booker family than anyone I know of.

It would please me very much to see you the next time you are in New York, and I trust that on your next visit here you will favor me with a call.

Very cordially yours,

J. Marshall Booker
